Assessment:

Item	%
A1. Exam I	25%
A2. Exam II	25%
A3. Group Projects	35%
A4. Class Participation	15%
Total	100%

A1, A2. Exams (50%):

There will be two exams during the semester, each worth 25% of your final grade respectively. Both exams will be a combination of multiple choice and case/essay questions, covering information from texts as well as lectures. Therefore, keeping up with the reading of texts and attending class is strongly recommended.

A3. Group Project (35%):

In this course, you will be required to complete a group project in order to gain hands-on experience in the development of international marketing strategies. Groups of 6~8 will be formed to work on the project. Each group is required to develop a Country Notebook for a designated company. Please select a specific product/brand and assume you are the CEO of the company marketing the product; and select a country your company will market the product to one of the following candidates: China, India, South Korea, Japan, Saudi Arabia, Indonesia, Pakistan, Canada, Brazil, Mexico, France, Germany, U.K., Russia, Egypt or South Africa. A country can only be chosen by one group on a first come first serve basis. So, let me know as soon as your group selects a country.

The overall project consists of two major written papers and two oral presentations:

- The first paper (GP1) and presentation (10%) will focus on the macro-environmental issues (i.e., Cultural Analysis & Economic Analysis). The presentation time is based on the country you selected, as specified in the course schedule. GP1 is due right before your presentation.
- The second paper (GP2) and presentation (25%) will focus on the marketing plan (Market Audit and Competitive Analysis & Preliminary Marketing Plan). The presentation is scheduled at the end of the semester and GP2 is due right before your presentation.

- GP1 presentation will be 8-minute followed by a 2-minute question-and-answer session.
- GP2 presentation will be 15-minute followed by a 5-minute question-and-answer session. The instructor and all your classmates other than your group members will evaluate your presentation. The combined evaluation will be your grade for the presentation.
- Please hand in both soft and hard copies of your project report.

At the end of the semester, your contribution to the group project will be evaluated by each of your group members. For this purpose, a peer evaluation form will be handed out by the end of the semester. *In case of poor participation, your group project grade is subject to discount in proportion to your percentage-based peer evaluation score.*

A4. Class Participation and In-Class Quiz and Assignments (15%)

Attendance is a necessary condition for class participation. There is a minimum requirement of 70% attendance to pass any marketing classes. In case of absence, you need to seek my approval before class. Unreported absence will be penalized. Missed in-class quizzes due to illegitimate absence are not allowed for make-ups. Only under extenuating circumstances, such as medically documented sickness, and participation in a University-sponsored activity, will absences and missed quizzes be excused.

Most classes are accompanied with small cases discussion. You are expected to actively participate in the class discussion. I may also randomly call on students during the semester. Your contribution to the discussion will significantly influence your class participation grade. Your participation grade will be based on class attendance (**on time**), the quality/frequency of your comments, and your answers to the questions. Class participation will be graded based on the subjective assessment of the instructor.

Assignments must be submitted on the due day. Late submission will be downgraded 10% every business day.
