

Important reminders about choosing Business Design and Innovation as second major (for non-FBE students)

1. For students admitted **before the 2015-16 intake, a cumulative GPA of 3.0 or above as of August 31 (excluding Summer Semester) at the end of the 2nd year of study** must be obtained for eligibility to declare BDI as second major.
2. Candidates must undergo a selection process arranged by the BDI Programme Co-ordinator.
3. Candidates are required to submit an application form within one week after add/drop period of the second semester of their 2nd year of study. Shortlisted candidates will be invited by email to a group interview.
4. Declaration of BDI major is blocked by the system, as a result, candidates cannot declare BDI major via SIS during the course selection period or add/drop period. For the successful candidates, FBE will notify students' home faculties. Declaration will be performed by the respective faculties in August.
5. Please contact Miss Kathryne Ho at kathhopy@hku.hk for the application form and enquiries.
