Courses with high demand

Though we endeavor to ensure that majority of our students are allocated their preferred course choices, sometimes this is not possible.

The following subject areas cannot guarantee access to students who are not on a direct exchange in the subject area, either because these subjects are high-pressure (very popular courses with limited capacity and strict pre-requisites) or because they have limited study options available for visiting students:

• Art & Design Elective courses
• English Literature
• History
• Politics and International Relations
• Philosophy
• History of Art
• Law
• Education
• Nursing
• Sport

Credit system

Under the semester system the majority of our courses will be 20 credit (Semester) or 40 credit (Year) courses. Students are expected to take the normal academic load of 60 credits per semester.

Students are not permitted to take more than 60 credits per semester and cannot normally take less credits.

Making changes to your course list

If you would like to make changes to your course list after you have submitted your application then please contact us by filling in our online enquiry form:

www.ed.ac.uk/study-abroad/contacts

Please note that the last opportunity to add or drop courses will be the end of the 2nd teaching week and no changes will be allowed after that.

Transcripts

An academic transcript will normally be issued by the end of the following February (for semester one students) and by the end of the following August (for semester two and full-year students). One hard copy transcript will be automatically sent to the address you give us in your application.

If you or a third party require a copy of your transcript you can order this at:

www.ed.ac.uk/student-administration/order-documents/transcripts

Student Administration do not automatically send transcripts after re-sits. In this instance an updated transcript must be requested by the student/home institution to:

infopoint@ed.ac.uk

Application process

Your home university will need to nominate you.

Your university will receive instructions on how to nominate you in February.

When we have successfully processed your nomination we will send you an email inviting you to apply online to the University of Edinburgh.

Please read the application guide which will take you through the online application step-by-step:

www.ed.ac.uk/global/study-abroad/how-to-apply/application-guide

To apply you will create an online account with us.

You will get a username and a password, which will allow you to track your application through its various stages.

You will need to upload copies of an official transcript (which lists all courses undertaken and grades received at your home university, to date) and a personal statement.

Application deadlines

Applications must be submitted by the following deadlines:

• 31 May for students starting in September
• 31 October for students starting in January

Late applications will not be considered.

Please refer to our English requirements: www.ed.ac.uk/global/study-abroad/study-options/international-exchange

Your English language certificate must be no more than two years old at the beginning of your course here.

If you have taken or plan to take an English language test that does not appear on our list, please contact us to check if we will accept it.

Please refer to the English Language Education team for more information: www.ed.ac.uk/schools-departments/english-language-teaching

Visa requirements

If you are coming to the UK to study for more than 6 months, you should apply for a Tier 4 General visa in your home country before travelling: /www.ed.ac.uk/global/immigration/applying-for-visa/tier-4-visa-requirements

If you are studying here for less than 6 months and you do not wish to work, extend your studies in the UK or bring dependents, then you will require a short term student visa.

Nationals of some countries can travel to the UK for up to six months without needing to apply for a visa before travelling. These are called ‘non-visa nationals’. If you are a non-visa national, you can ask for permission to be admitted to the UK when you arrive at the UK Border.

www.ed.ac.uk/global/immigration/applying-for-visa/short-term-student

If you are planning to apply for the short-term student visa upon arrival at the UK port, you must **not** travel via the Republic of Ireland.
Living costs

A detailed break down of living costs is available on our website: www.ed.ac.uk/studying/international/finance/cost-of-living

Further expenses

Exchange Students who are here for only one semester and who stay in private (non-University) accommodation may be required to pay Council Tax. Information about Council Tax is available from The Advice Place: www.eusa.ed.ac.uk/adviceplace/moneyandfunding/counciltax

You will be liable to pay the charge incurred for any examination resits.

Accommodation

You can apply for accommodation once you have been offered and accepted a place to study here in Edinburgh.

You should submit your application online: www.ed.ac.uk/global/study-abroad/living-edinburgh/accommodation

Accommodation application deadlines

The deadlines for accommodation applications are as follows:

• 16 August for all students starting in September 2018
• 30 November for all students starting in January 2019

International Exchange students are guaranteed accommodation, providing their application is submitted by the deadline.

Health & personal insurance

If you are coming to the UK for more than 6 months then you will need to pay an immigration health surcharge when making your visa application. This charge will allow you equal access to the National Health Service (NHS). You may have to pay for dentistry and some more specialised services on the NHS. More information on the health surcharge can be found here: www.ed.ac.uk/global/immigration/applying-for-visa/health-surgecharge

We recommend that short term students get normal travel insurance that includes medical insurance. While students will usually receive NHS treatment free of charge, you may be asked to pay for certain medical appointments and medication, therefore we would usually advise for students to purchase insurance.

For further information please refer to: www.ed.ac.uk/staff-students/students/new-students/health-insurance

In addition, we advise that students obtain insurance which will provide cover for personal items, such as baggage, books, personal computers, etc.

A level of insurance is included in the rent for students who are in university accommodation. For more information see: www.accom.ed.ac.uk/for-students/policies-and-guidelines
Computing facilities

The University has a number of open-access labs and there is an extensive network of wireless points throughout the University sites.

The University’s residential networking system provides a telephone, data and internet service to around 85% of students in our residential accommodation. For more detailed information please refer to: www.accom.ed.ac.uk/services/it-facilities
