Our Campuses

The HKU Business School provides a dynamic and conducive environment for learning, teaching and research. Advanced facilities are provided on the three campuses located in the HKU Main Campus, Cyberport and Admiralty Town Centre.

Cyberport Campus

Located at the flagship of Hong Kong's digital industry-Cyberport. The School's facilities at Cyberport include state-of-the-art classrooms, group meeting rooms and social areas for postgraduate students and learning partners from corporates that collaborate with the School. This is a place where university and business communities can come together and inspire innovations.

HKU Main Campus

The Headquarters of the HKU Business School is located at K.K. Leung Building in the HKU Main Campus. In addition to facilities such as lecture theatres, classrooms, computer laboratories and other areas for academic activities, the campus is also home to many research centres and institutes under the School. The Main Campus also features other learning facilities, resources and services needed in university life.

Town Centre Campus

Located at the heart of the city, Admiralty Town Centre Campus brings the resources of the School to one of the financial districts in Hong Kong. Apart from featuring cutting-edge facilities such as executive classrooms, meeting rooms and comfortable lounges, this downtown campus is a convenient location for hosting events and seminars, and connecting students, alumni and partners from all over the world.
Modular Calendar

Courses are offered on a modular basis to allow students to focus on 1-2 courses at a time. Normally, each module consists of six to eight weeks including the examination week.

Master of Accounting Overview

More than a Professional Accountant

The Master of Accounting programme at the HKU Business School combines a rigorous academic core with tailored practical skills and knowledge. It is accredited by the ACCA, CPA Australia, CIMA and HKICPA, and students on this programme benefit from our professional partnerships with the ACCA and KPMG. Our comprehensive curriculum structure covers accounting, finance, management and business analytics, and explores theories that explain the important roles of accounting in economic decisions. All of these help prepare you to be professional accountants, financial experts and future business leaders. Through exploring data analytics students will learn how to take insights and information and convert this into executable actions.

Programme Structure

01. A comprehensive postgraduate curriculum encompassing accounting, finance, management, and business analytics.

02. Theories that explicate the important roles of accounting in economic decisions.

03. Professional training in business leadership, strategic management reporting, and advanced financial and performance management benefiting from the partnership with ACCA and KPMG.

04. Accounting data analytics that convert information into executable actions.

05. A capstone course to tie the various elements of the study together through real world business projects.

Prof. Kai Wai Hui
Programme Director - Master of Accounting

Q&A Programme Director

Top 5 questions about the Master of Accounting programme, answered by our Programme Director, Prof. Kai Wai Hui.

1. What is the most important element of learning for an accounting professional nowadays?
   It depends on the interests of the student. We cover several in-depth areas. In particular, our programme values leadership and analytic skills, as well as critical thinking. We would like students to become the future leaders of the profession.

2. What type of student is suitable to study the Master of Accounting Programme?
   Anyone who is interested in the accounting profession. We look for qualified students with intellect, a good command of English, a career vision in accounting and finance and the confidence and dedication to achieve excellence.

3. I already have a bachelor degree or background in accounting. Is it beneficial for me to study the Master of Accounting Programme?
   Another purpose of the programme is to establish cutting edge knowledge at an advanced level. Elective courses cover numerous accounting fields that bring you up to the graduate level. Accounting students will have course writers and examiners that allow them to leap to the advanced level. They may also take electives from other graduate programmes to enrich their knowledge.

4. I do not come from a business or commerce background, can I study the Master of Accounting Programme?
   The programme covers elements of basic accounting knowledge, making it suitable for non-business major students. The curriculum will be challenging for them, but will manageable given the guidance we give them.

5. Does the programme allow me to get practical insights from the industry?
   Our curriculum design is based on the most recent developments in the industry. There are also guest speakers and industry and career talks that bring about the latest developments. The curriculum has been updated over time to keep up with the latest global standards.
Scholarship

Entrance Scholarship
We offer merit-based scholarships to qualified students, who may receive a scholarship ranging from 10% to 50% in most cases. A full tuition waiver may be offered to outstanding cases. All eligible candidates are automatically considered; no separate application is required.

Fargo Wealth Excellence Scholarship
Up to 10 scholarships shall be awarded, starting from the academic year 2021/22, to Year One students, available to all masters programmes offered by the HKU Business School on the basis of academic performance in the respective programmes and their contributions to the community of masters programmes. The Scholarship shall be of the value of HK$10,000 each.

Tuition Fee
$318,000*
A deposit of HK$80,000* is required to confirm the admission offer, the balance shall be payable in two installments over one academic year.

* Subject to change and final approval by The University of Hong Kong.

Course Exemption
Up to two core courses (except for the capstone course) may be granted subject to the approval of the Programme Director and the school, if you:
A. Can produce evidence, such as transcript and course syllabus, that a course is equivalent in content to another course taken elsewhere for which a satisfactory grade has been obtained; or
B. Are holding relevant professional qualifications which were obtained before admission to the programme.

No credits will be given for the exempted course and you will be required to take an approved alternative elective course of the same credit value.

Boot Camp
Purpose: To ensure that everyone has the foundational knowledge and skills required to fulfil the requirements for professional accounting accreditations

Duration: 2 weeks
Mode: Interactive lectures
Assessment: Pass 3 Courses*

An online refresher course on fundamental accounting concepts will also be provided to brush up students’ accounting skills.

* Exam required at the end of each subject. Students are required to attend all classes, prepare and pass all 3 boot camp courses.

Effective communication of relevant financial information to important stakeholders such as investors and creditors is a key driver for corporate success. We will develop students with such crucial ability and prepare them to play a strategic role in organisations with their knowledge in financial reporting.

Emma Xu
Master of Accounting
Class of 2020

As my undergraduate major is accounting, I was in touch with many accounting related topics, such as management accounting, financial accounting, and auditing. In addition, I acquired the ACCA in my undergraduate time, so my knowledge base is very solid. However, I felt I lacked the ability to put the knowledge into practice, so I chose to study the Master of Accounting. I hoped to have more opportunities to use the knowledge I learned in practical cases.
